Finding the dedicated elevator and Room 7

3 Take the conference-room elevator to 5F

Use the dedicated elevators for the conference rooms. The entrance can be easy to miss.

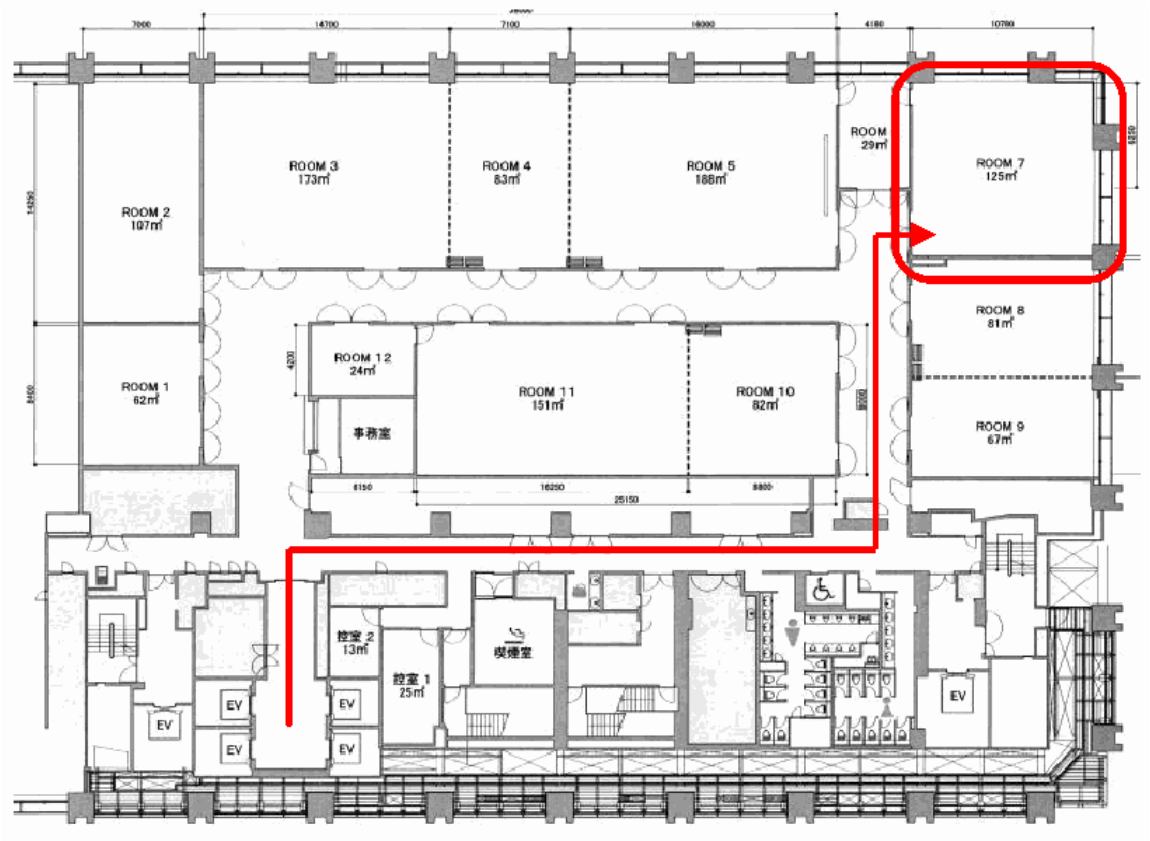
From the station via B1: follow Exit B6 into Tokyo Nihombashi Tower and use the conference-room elevators. The official route map (page 2) shows the underground approach.

From street level via 1F: enter Tokyo Nihombashi Tower. The dedicated elevator is **to the right of the Service Center**. Take it to the **5th floor**.

Open the official underground elevator route map (PDF, page 2)

4 Follow the red route to Room 7

After leaving the elevator on the 5th floor, follow the red line along the corridor. Room 7 is at the far end, as marked below.



5F floor plan. The red line starts at the conference-room elevators and ends at Room 7.

Maps: BELLESALLE and supplied Japanese guide. Elevator directions: organizer's site visit.
